

NINGBO BLUESKY LIMITED

COMPANY INTRODUCTION

Ningbo Bluesky Limited covers an area of about 5800m² and has more than three hundred experienced workers. Our company has rich experience in manufacturing bag items, our main products include **packing cubes, travel bags, make up bag, cooler bag** etcetera. We strictly control the quality of each process, such as preparing material, cutting material, printing, sewing and packing.

Dedicated to strict quality control and thoughtful customer service, we have a reliable reputation among our customers. Besides, we are making great efforts to develop new products to meet different requirements. As we have our own sample production specialist, it can save time in developing and customizing new products.

We aim to always keep ourselves updated with the newest production equipment and train our workers to have a high standard for quality and product consistency. We apply our many years of experience in manufacturing bags to raise production efficiency, lower cost, and provide customers with competitive pricing, reliable quality, and quick delivery to obtain more orders for us and our clients to increase market shares.

If you want to ask for a quotation or catalog, please contact with our sales team. And we sincerely welcome you to visit our company!
